### Research Policy of the Institution

The college is committed to promote a research culture among Faculty and students as basic long term research provides the foundation for future development of the Institution. The research policy of the college aims to develop and promote scientific temper and research aptitude of all learners; to realize the vision and mission of the college and to identify research areas of academic, practical and socially relevant significance thus contributing to Nation Building. It also aims at ensuring that the research activities of the college conform to all applicable rules and regulations of the affiliating University And U. G. C. as well as to the established standards and norms relating to safe and ethical conduct of research. Our research policy provides a broad framework to the research activities with the following objectives:

#### **Objectives:**

- To provide a proper coordination of all research activities of the college and aligning these to the vision and missions of the college and national development goals through **Dhanai Research and Development Cell.**
- To identify and inform researchers about the appropriate research opportunities announced by different academic, research, industry or government organizations.
- To promote interdisciplinary research and establish modalities for preparing and undertaking joint research projects covering more than one knowledge domain as well as policies or involving external agencies/experts in such projects
- To take initiative for granting study leave, sabbatical leave, duty leave, seed money, reduction in workload, etc. to deserving faculty members for advanced research
- To identify and establish linkages including MOUs for long term relationships with national and international research organizations for widening the scope of research opportunities and funding options available to the teachers and students of the college.

- To promote collaborations with International and national academic institutions of higher learning and promote linkage with Industry
- To encourage and facilitate the publication of the research works in either UGC listed or in reputed peer reviewed academic International / National journals and also to facilitate the presentation of the research work through academic events such as workshops/seminars/conferences.

To ensure the quality of all research activities of the college and to observe the highest standards of ethics and integrity in the conduct of their research, all researchers must follow the following Code of ethics.

### **Code of Ethics for Research:**

- Researchers pursuing research in the college are expected to maintain high standards of integrity, honesty and professionalism in respect of all the work undertaken by them.
- The Research and Development committee monitors research activities of the college.
- Since the college is affiliated to Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon, the college follows the regulations of the University and U. G. C. regarding plagiarism and malpractice in research.
- A Ph. D./ M. Phil. thesis submitted from the Institution is screened by the University for plagiarism before it is accepted.
- Whenever a paper is to be published in peer reviewed journals, the journal normally has a committee to check the originality in the content.
